**“Culture eats Strategy for Breakfast”
- Peter Drucker**

Agenda

- OCM Challenges
- Understanding People
- Power of Process
- Influencing People

Agenda

- OCM Challenges
- Understanding People
- Power of Process
- Influencing People

Situation

- Customers and World is Changing
- Organizational Transformation
- Improve Performance
- Change Business Model
- Focus on Core Competency
- Take advantage of new Technologies
- Innovation

Complication

- Threat to the “Norm”
- People fear
- Communication strategy
- Expert Opinion
- Just in time management

Implication

- Business failures
- Moves slower
- Cost increase
- No results
- Competition moves faster
- People capabilities removed
- Organization structure and behavior complexity

Benefit

- Improve Success Rate of Changes
- People Compassionate
- Business Success
- Customers Happy
- More Focused Agility

“Happy employees, Happy customers”

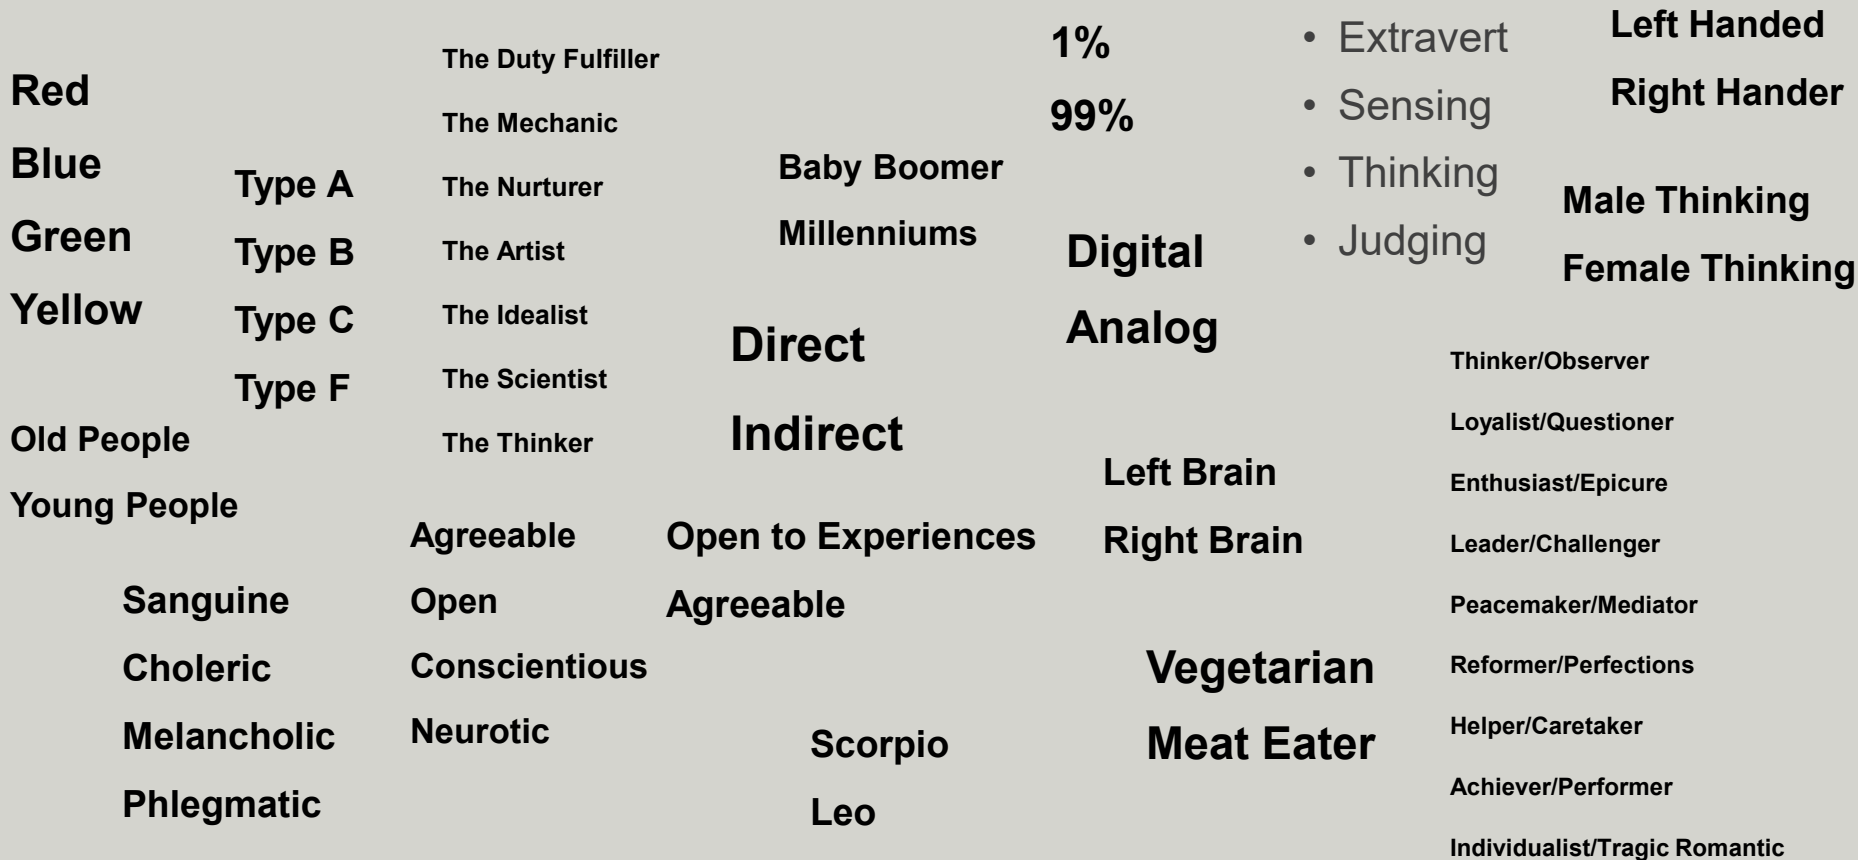

Agenda

- OCM Challenges
- **Understanding People**
- Power of Process
- Influencing People

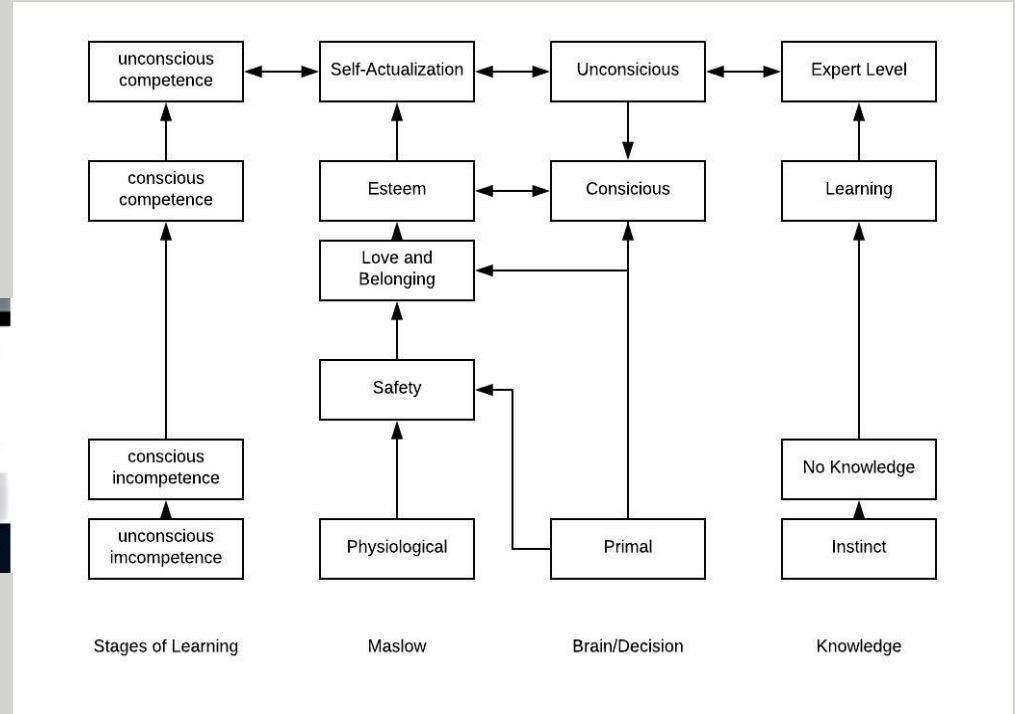

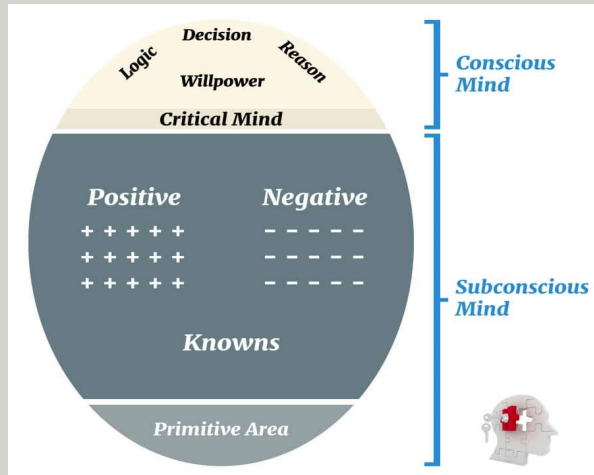

Types of People

The Common Factor – The Brain

- Unconscious Brain – System 1 – Fast Thinking
- Conscious Brain – System 2 – Slow Thinking
- Primal Brain
- Critical Brain

Our Physical Brains are Evolving

Frontal Lobe  <i>Reason</i>	Time Cues  <i>Feeding Schedules</i>
 <i>Memory</i>	 <i>Environment</i>
 <i>Personality</i>	 <i>Activity</i>

Suprachiasmatic Nucleus
Primate (Neocortex)

Mammal (*Limbic*)

Reptile (*Reptilian*)

Temporal Lobe

Hearing Vision Speech

Cerebellum / Brain Stem

Heart Rate, Temperature, Breathing

Central Outputs

Peripheral Outputs

Heart, Liver, Kidney, Muscle

With permission from Chris Dancy

Development of Belief System

- In Unconscious mind
- Open until age of around 7/8
- Expert thinking level
- Influences everything
- Accepts/Rejects change via a process
- Experiences at work develop work beliefs

Agenda

- OCM Challenges
- Understanding People
- **Power of Process**
- Influencing People

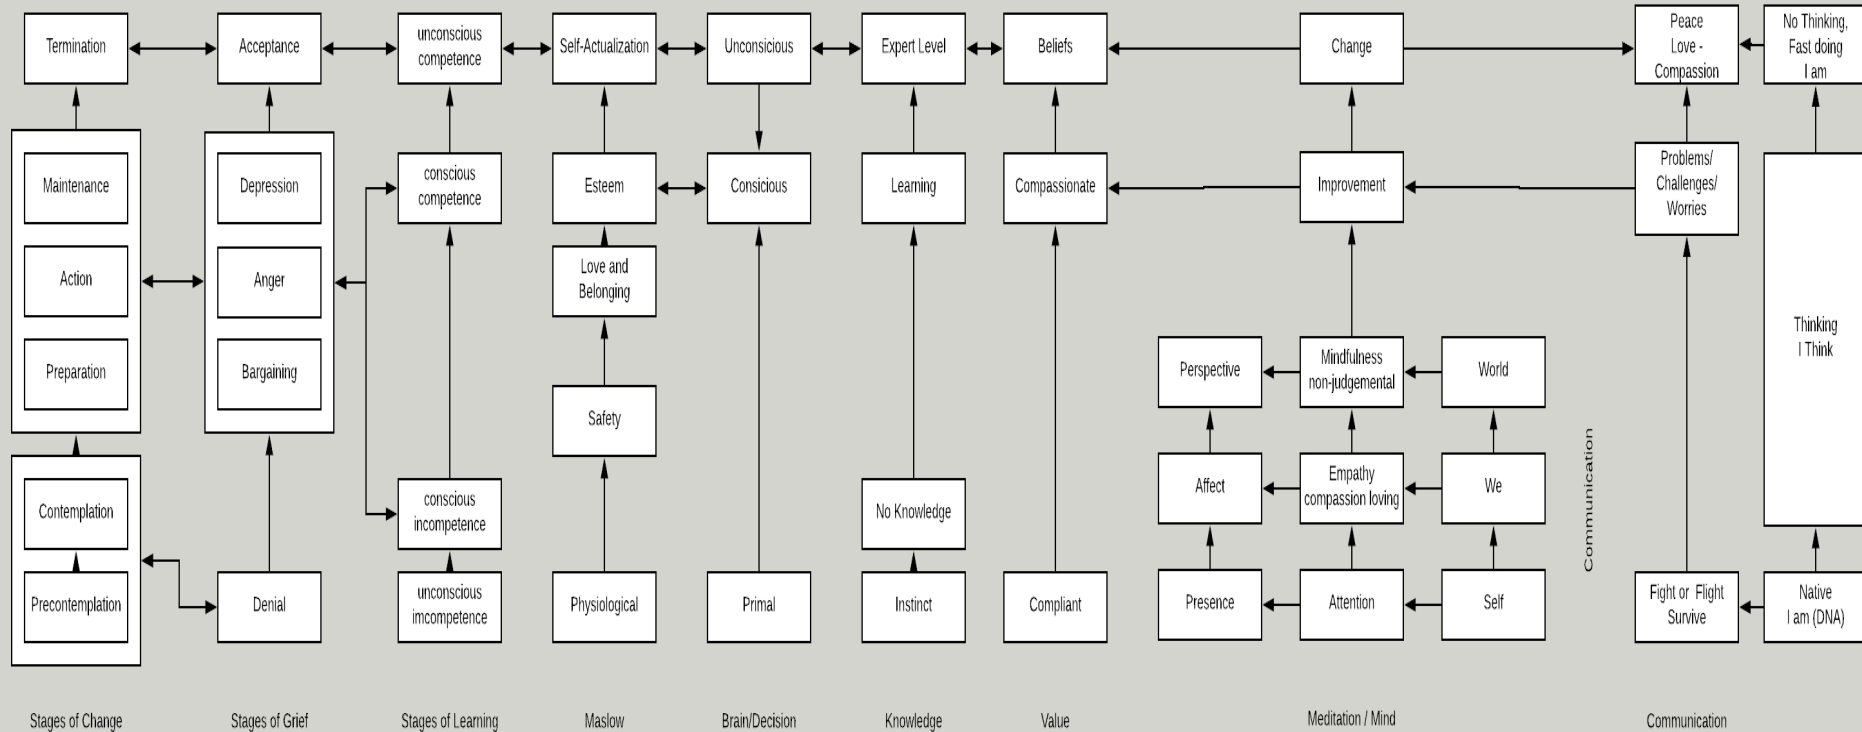

Becoming an Expert

- Learning Theory (process)
- Unconscious and conscious behavior
- Passionate or compliant
- Fail often culture
- Expertise can harm or help

Relating People Processes (theory of everything)

Agenda

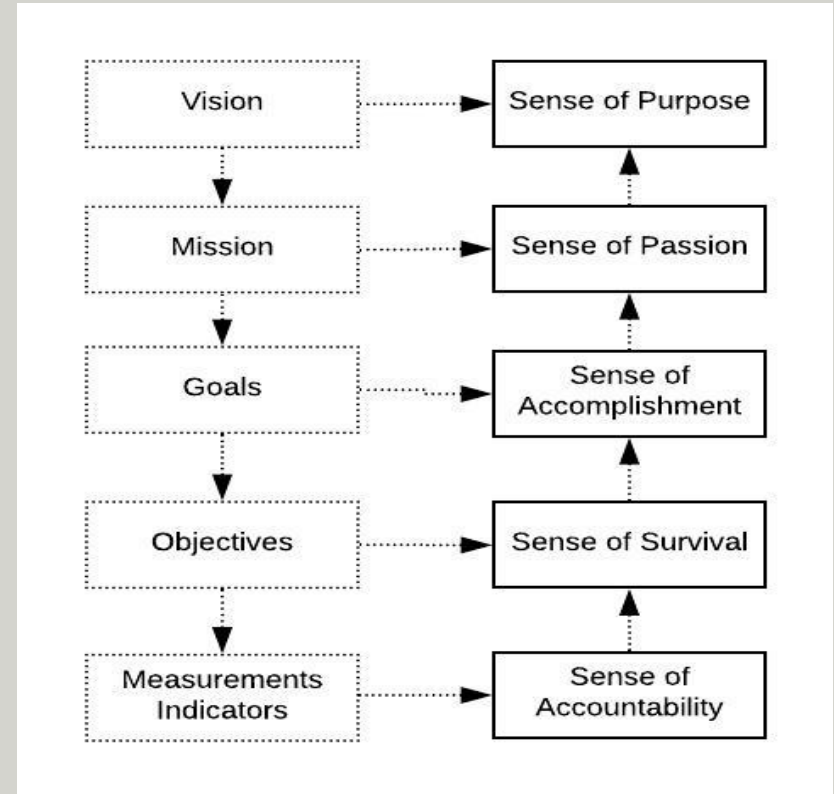

- OCM Challenges
- Understanding People
- Power of Process
- **Influencing People**

Vision to Measurements

- Vision
- Mission
- Goals
- Objectives
- Critical Success Factors
- Key Performance Indicators
- Metrics
- Measurements

Rapport and Trust then action
Measure for a reason

Change Readiness

- **Change Strategy**
 - Impact known
 - Reason known
 - Communication strategy
 - Motivation strategy
 - Org structure change and governance strategy
- **Change Resistance**
 - People process
- **Change Constraints**
 - Politics and others

Begin with end in mind

- “One can not manage change, but only be ahead of it” - Peter Drucker
- Driven by Demand, Opportunities, Threats
- What capabilities and resources does the organization need?
 - Do value chain people self assessment
 - SAFIA, etc
- What new capabilities do people need?
- What is timeline?
- What is expected experience?
- Do you need compliancy and/or expertise?

Influencing People

- Organizational change is personal change
- Communication based on beliefs and role (tech, etc)
- Actions – You have to exercise the conscious mind
- Create a sense of urgency to change from old behavior
- Team work – Military mindset?
- Team canvas creation

Influencing (Persuasion) People

- Style
 - Rationalizing, Asserting, Negotiating, Inspiring, Bridging
- Methods
 - Robert Cialdini
 - Reciprocation
 - Commitment “in writing” and Consistency
 - Liking
 - Authority
 - Scarcity
 - Social Proof
 - Appeal to
 - Values/Beliefs, Logic, Increase Buy-in, Collaboration
 - Build Rapport
 - Mirroring, complement, positive language patterns, NLP

Communication

- Intentional to audience (use their words)
- Direction of Communication - Pain/Gain – Physical/mental/spiritual (society)
- Communication to Subconscious mind – stronger influence/acceptance
- Communication to Conscious mind – learning mind (simulation, actions)
- Communication overload – Creates path to unconscious mind
- Practice what you communicate
- Check for understanding in each capability/function

Communication Examples

- Initial to specific audience
- +Reminders - Influencers
 - Technology
 - iPhone
 - Schedule events – “remember to..”
 - Verbal (like with kids)
 - Don’t forget to....
 - Written
 - Posters
 - Post it notes (cursive, remove and replace)
 - Emails, etc
- Culture change + RACI + Beliefs

OCM Communication - Power Words

Empowering People

- Rapport
- Trust
- Permission
- Beliefs
- Change and Anchor
- Linguistic bridges

- Simulate imagination (vision or previous thought)
- Activate senses
- Associations
- Linking things that don't go together

- Imagine
- Because
- And
- As
- Which means
- Notice

- Just Pretend
- The more
- Every time
- Suppose
- Remember
- What would it be like
- Realize
- Sooner or later
- Find Yourself

OCM Communication - Power Words

- Repeat key theme/words
 - Use examples
 - Metaphors for understanding concepts
 - We/our/you context
 - Relate to known beliefs and language
 - Specific examples for grounding and connection to subconscious knowledge
- Remember Famous speeches
 - Martin Luther King
 - Nelson Mandela
 - Queen Elizabeth
 - John F. Kennedy
 - Abraham Lincoln

Changing the Mindset

- People make the Difference
- Each team requires communication in their language
- Communication Modalities - Engagements
- Manage to constraints especially political and referential power
- Create trust with RACI, process design, beliefs
- Understand current state, Keep the end in mind, there are many roads
- Focus on connecting social, economic, and psychological value
- Understand Beliefs
- As a leader, sometimes you have to change your mindset

The Organization and People

**“I’ve learned that people will forget what you said,
People will forget what you did,
But,
People will never forget how you made them feel”**

- Maya Angelou

KEY TAKEAWAYS

- Empower People
- OCM Challenges
- Understanding People for Change Management
- OCM Process integration and usage
- How to Influence People and Change Mindset
- Reference Material

LESSONS LEARNED

- How to address People Challenges
- Better Understanding of People for managing Organization Change
- People and Organizational change processes how they work together
- How to Influence and communicate to People positive organizational change
